

Disability Works

APPLE TREE

OUR Disability Works program that offers free work clothing to persons with disabilities. We currently have received a large selection of men's clothing. We operate a thrift shop that sells clothing and household articles to the general public and uses the revenue to purchase clothing for persons with disabilities. We also have a good selection of donated clothing that is new or nearly new.

If you have any clients that need free work clothing we would be happy to help them out. We have no fees or obligation for clients using our services other than having a disability and seeking employment.

All you have to do is call me or leave a message with the name of the client that will be coming. Our Thrift shop is located in the basement of the Bronson Centre 211 Bronson Ave, The bus # 85 will take the front door. Also we are not far away from the tranistway or the bus #2. For more information including a map check out our website at www.appledropin.com. The thrift shop hours are Friday and Saturday 10:00 am to 4:00 pm. Clients can however come during the weekday if they call in advance. Disability Works is a program run for and by persons with disabilities and is owned and operated by A Post Psychiatric Leisure Experience.

This is also a good opportunity for persons with mental illness to become acquainted with our recreational drop-in centre. The thrift shop is open to the general public looking for Bargains. Also we are always looking for donations of good quality clothing and small housewares.

If you have any questions or concerns please feel free to contact me
