

Mothercraft Ottawa is a non-profit organization operating in Ottawa for over seventy years. We are one of the Ottawa Sens Foundation's charities chosen to sell 50/50 tickets at some of the Senators home games. We are seeking individuals that would be interested in giving a few hours of their time to sell 50/50 tickets. The dates that we require volunteers for are: Friday, February 3, Saturday, February 11, Saturday, March 10 and Tuesday, April 3.
