

THE LAW – NO LAUGHING MATTER?!!
3rd Annual Reach Comedy Night
Thursday, February 2, 2012

The Honorable John D. Richard, Honorary Chairperson, and the Board of Directors of Reach Canada, invite you to attend the 3rd Annual Comedy Night: The Law – No Laughing Matter?!! which will take place on Thursday, February 2nd in the auditorium of Library and Archives Canada (395 Wellington).

Along with our hosts, Foord Davies LLP, Reach is delighted to present this unique evening of fine food and fun. Ottawa judges and lawyers will serve up laughs and warm up the audience for Darryl Lenox, the evening's headline comedian.

Darryl is “judge, jury, and executioner when he takes the stage and presides over the courtroom of comedy with authority. He delivers insightful, incisive, and authentic comic justice that punishes the absurdity of the everyday with a life sentence of laughter without parole”.

This popular event, sold out for the last two years, will begin at 5:30 p.m. with a reception courtesy of Vittoria Trattoria. Performances start at 7:30 p.m. with the Honourable Mr. Justice Colin McKinnon presiding as Master of Ceremonies. Several local judges and lawyers will also perform, including: Mr. Justice Robert N. Beaudoin, Mr. Justice Jonathan Brunet, Madam Justice Heather E. Perkins-McVey, Madam Justice Giovanna Toscano Rocco and lawyers Mark Ertel, James Foord, Paul Francis, Steve Gaon and Graham Murray.

Tickets must be purchased in advance. We would especially like to encourage you to make a contribution of \$1,500 which would enable you to receive 20 tickets for the event which you could give to colleagues, clients, staff or others. Your corporation would also be acknowledged in future mailings and website promotion and your logo would be included in the Reach Comedy Night program. We are pleased that Howard Yegendorf and Associates were the first firm to make such a contribution and hope others will match their gift.

Please call the Reach office at 613.236.6636 to make your contribution. Individual tickets can also be purchased on-line at www.reach.ca. All proceeds benefit Reach Canada: Equality and Justice for People with Disabilities. The funds raised enable our non-profit organization to provide lawyer referrals for people with disabilities, along with education, awareness and information about the rights of people with disabilities.

This evening would not be possible without the generous support of our sponsors. Thank you for your contribution and support of Reach Canada.
