Jen Traplin and members of the **Ottawa Firefighters Association** return to guide guests through all the tempting silent auction items and chocolate creations. To top it off, chocolatiers from across the region will be onsite, such as **Pasticceria Gellateria Italiana, Koko Chocolates and Chocomotive** and more! **There's something for everyone!**

All funds raised will support the Distress Centre's Volunteer Training Program and 24/7 services providing emotional support, crisis intervention, suicide prevention/intervention/postvention, information referral and education services.
