

**Do you care about consensual sexuality? Responsible drinking?
Preventing sexual violence? Yes, you do? Great!**

The Ottawa Rape Crisis Centre is looking for service providers and parents to help design a sexual violence public education campaign.

We are looking for 12 people to get involved. Involvement would include participating in two meetings (i.e., one in February and one in March).

The campaign will be launched in May 2012 as part of Sexual Assault Awareness Month.

This project is an opportunity for you to develop leadership skills, network and inform a citywide campaign!
