Les jeunes de coeur de Belcourt Ottawa region tour

(Orleans, November 6, 2008) – We are pleased to launch the tour of the Belcourt Manor choir in the region of Ottawa. “Les Jeunes de Coeur de Belcourt”, a choir made up of 17 residents under the direction of Mrs. Yvonne Lunney, forms a 1350 Christmases beating heart. As very well said by one of our residents: “A residence where people sing is a happy residence”. Allegro, one of the most important network of residences in Canada is proud to be part of a production which spreads joy and inspires unity and charity.

“Les jeunes de coeur de Belcourt” adapted their repertory to the holidays and will perform in five Allegro residences of the region of Ottawa. At each one of the performances, monetary donations will be collected for the Food Bank of Ottawa. The choir wishes that their songs bring hope and relief to the needy during the holiday season. Allegro will join their effort with a donation at the end of the tour.
