REACH CANADA

Reach Canada was conceived twenty-eight years ago during the International Year of Disabled Persons. The success Reach generates is the result of support from our volunteers, donors and the expertise of approximately 200 lawyers who donate their time annually. The funds raised ensure we continue to provide lawyer referrals and extensive educational programmes.

In honour of our 28th anniversary, we are delighted to present an auction and magic show. This high profile event will also feature a corporate cocktail reception and dinner. We hope you will join us to ensure Reach Canada continues to meet its mandate to provide education, awareness and information about the rights of individuals with disabilities.
