

VOLUNTEER DRIVERS NEEDED

Hospice Care Ottawa is looking for volunteers from Ottawa East to drive members of the community to and/or from our weekly Day Hospice Programs.

Hospice Care Ottawa's Day Hospice programs run from Tuesdays to Thursdays and provide those living with a life-limiting illness a day away in the community and gives caregivers a day of respite.

What you'll receive as a Volunteer Driver for Hospice Care Ottawa:

- Hospice and program orientation, including education on hospice palliative care
- The opportunity to develop meaningful relationships and join a dynamic team
- A regular volunteer routine which is easy to schedule your other events around
- Gift in kind tax receipt for the number of km's you drive as a Hospice volunteer

"Hospice is a place where people can come along and for a few hours on a given day every week they can forget their problems and just enjoy being alive. The beauty of that is that they begin to think that life is worth living again." - Day Hospice Guest

Join our team today!
