## Activity Descriptions

**A Morning of Exploration:** We invite you to come and play with your child in an environment that promotes learning. Together, we will discover your child's interests and curiosities. We will learn how you can build on his abilities through play.

**Note :** For the summer time, on Wednesdays only, this activity will be at the Richelieu Park, 46 Boulevard Faucher in Casselman.

**Sharing of Indigenous Culture:** We invite all generations to come and learn about the indigenous culture and share a traditional meal. Listen to a legend about the dream catcher and create your own.

**An Evening of Activities: Busy Feet:** Enhance your child's physical literacy. Come with your child to participate in our gross motor skills program to improve movement. Call us at 1-866-764-3434 extension 221 to register.

**Circle of Care:** Are you looking for other parents to chat with, share ideas and experiences? Come and join us starting on September 19th.

**Indigenous morning:** Come discover interesting cultural traditions through songs, music and stories.

**Kindness Day:** Kindness begins with all of us. Come and join us in creating a gift of appreciation that the children will offer to a deserving person or organization in our community.

**Outdoor Story Time:** Come and enjoy the story "Very Cranky Bear" in the park. Remember to dress accordingly and to bring a snack and water. Call us at 1-866-764-3434 extension 221 to register.

**Read Me A Story:** Come listen to a story and participate in activities that make children develop a taste for reading. Call us at 1-866-764-3434 extension 221 to register.

**Sensory Learning:** We invite you to come and play with your child in an environment that promotes learning through their senses.

**Screening Clinic:** Is your child aged between 1 year and 4 years? Do you have any questions? A professional early childhood educator can meet with you to discuss your child's development. Call for an appointment at 1-866-764-3434 ext. 229

**Watch Me Grow:** Have your child weighed, measured and immunized by the public health nurses. Parental support is also available.
