JOB POSTING**

**Diabetes Nurse Educator (Full-time, 5 days/week)
Community Diabetes Education Program of Ottawa (CDEPO)**

Working closely with the Diabetes Dietitian Educator, the Nurse is responsible for the delivery and promotion of the Community Diabetes Education Program of Ottawa in the City of Ottawa. Using a self-management approach, the Nurse provides group and individual education to adults with diabetes, primarily prediabetes or type 2 diabetes, starts them on insulin and assists them with titration. The nurse works collaboratively with CHC and community physicians and endocrinologists especially around insulin initiation and management. In addition, the nurse collaborates with other CCHC teams where appropriate and refers internally and externally as needed.

Requirements:

- Bachelor degree Nursing or equivalent.
- Possession of, or eligibility for, registration with College of Nurses of Ontario.
- Two years of experience in diabetes education
- Experience in group facilitation and knowledge of adult education principles.
- Strong written and verbal communication skills.
- Proficient with Windows-based computer systems, in particular, basic email and MS Word.
- Ability to work well independently and as part of a multi disciplinary team.
- Experience and sensitivity to the needs of diverse populations.
- Experience working in a community setting including outreach activities.
- Availability to work some evenings and weekends.
- Strong interpersonal and organizational skills.
- Valid driver's license and access to a vehicle.

Desirable

- Certification as a Diabetes Educator.
- Experience with insulin initiation and management.
- Membership in the Diabetes Educator Section of Diabetes Canada.
- Ability to communicate in another language is a strong asset (e.g. Arabic, Somali, Spanish, and French are priorities)

Language designation:

English, written and spoken
