

**INTERNAL/EXTERNAL  
JOB POSTING  
REGISTERED PRACTICAL NURSE ----- TELEMEDICINE  
Part Time – .7fte**

**Position Description:**

South-East Ottawa Community Health Centre is a non-profit health, community and social services agency. The Centre requires a Telemedicine Nurse (OTN-RPN) to plan, coordinate, support and promote the effective delivery of telemedicine services related to client focused clinical applications and functions via the Ontario Telemedicine Network (OTN). The OTN-RPN will have experience within Healthcare settings as well as flexibility to respond to a fluctuating workload and changing environment.

The role of the OTN-RPN is to ensure delivery of high quality telemedicine services. The RPN will oversee all telemedicine activities including clinical, educational and administrative services, communicate with clients and consultants to book appointments, and assist and support clients through their appointment.

**Qualifications:**

- Licensed and registered with the College of Nurses of Ontario in good standing.
- Demonstrated competence within the full scope of practice of a Registered Practical Nurse
- Knowledge of College of Nurses of Ontario (CNO) Standards of Practice and commitment to maintaining reflective practice standards as described by the CNO.
- Adherence to The College of Nurses of Ontario's Tele Practice Guideline indicating that nurses facilitating telemedicine consultations "must possess current and in-depth knowledge in the clinical care(s) relevant to the role."
- Basic understanding of the field of telemedicine or a willingness to learn
- Ability to advocate for the integration of telemedicine across the organization;
- Self-starter with an entrepreneurial spirit comfortable working in a rapidly changing environment.
- Experience with Electronic Medical records would be an asset;
- Interest in application of technology in health care environment.
- Familiarity in the development of clinical services, policies/procedures and workflow processes
- Comfortable working within the healthcare environment and with health care partners.
- Skilled communicator in English; French and other languages an asset.
- Innovative with the ability to problem solve quickly, strategically, and creatively;
- Experience in project management, education, promotion, organization, scheduling of activities as well as the management of patients seen through the service.
- The ability to work with clients of diverse ethno-racial and cultural backgrounds and proficiency in a second language is an asset.
- Travel may be required between sites/locations
- Current CPR
- A satisfactory Vulnerable Sector Screening (Police Check)

Salary Range: \$43,715 to \$51,429 per annum, prorated to FTE
