Residential Stabilization Counselor – Female Staff Only

Several casual positions
Union position
Female Staff Only

The Residential Stabilization Counselor is responsible for providing 24/7 residential support to female clients who are struggling with addictions, are unsafely housed, and are waiting for their admission to addiction treatment services. Services are provided to women that are sober and drug abstinent and who are in need of temporary residential care due to a crisis or poor housing conditions that places them at high risk of relapsing. Clinical care, crisis intervention and support are given to clients and include initial screening, assessment, monitoring, provision of physical care as well as the formulation and documentation of a comprehensive care plan and discharge plan in collaboration with the client. The RSC also facilitates individual and group counseling sessions and supports clients and their family members. The services are provided in compliance with the Montfort Renaissance's objectives and standards and the Ministry of Health and Long-Term Care standards.
