

Epilepsy Ottawa

Public Information Meeting:

Diet Therapy for Adults with Epilepsy

Thursday, November 16, 2017

4:00 – 5:00pm

Are you taking anti-seizure medication but still struggling with seizures? Are you looking for other treatment options?

Join us on Thursday, November 16 to learn more about Diet Therapy for Adults with Epilepsy, featuring neurologist Dr. Eduard Bercovici, Neurologist at the Toronto Western Hospital.
