EBO Financial Education Centre is a French non-for-profit organization, helping low-income individuals.

Thanks to dedicated volunteers, we offer year-long services to low-income Ottawa residents, helping them file simple personal income tax returns, when they are one to ten years late.

We are currently looking for volunteers to fill the intake positions during our 2018 income tax clinics.

The volunteer must meet the following criteria:

- Be bilingual (speak and write both official languages);
- Be available a few hours a week: during the day, evening and/or weekend;
- Be sensitive to the reality lived by low-income individuals.

Interested individuals will be invited to a brief meeting with the income tax service Coordinator.
