Since 1980, families who have no other opportunities for holidays and have children 16 years and under have been welcomed to apply for a vacation at Waupoos Farm. Located in Ottawa South, the Waupoos Family Farm has five 3 bedroom cottages, a brick farmhouse, and a lodge and chapel. There is also an outdoor swimming pool, an outdoor ice rink/basketball court, and a volleyball pit. Each cottage is completely equipped for preparing meals and sleeping. Families need only bring food, clothing, towels and personal toiletries for the length of their stay.

Please refer a family and help them create family memories to last a lifetime!
