

New Edinburgh's *Lumière Festival* is looking for a number of volunteers to join us in the run up to the summer. In our 15th year, the festival celebrates traditional paper lanterns and a wide variety of local musicians, performers, and artisans, with an average attendance of upwards of 4000 people. This year, the festival is being held at Stanley Park New Edinburgh (183 Stanley Avenue), on August 25th. We begin preparations for the festival as early as January, when we host our first Lantern Hospitals, so there are plenty of volunteer opportunities with us throughout the year!

Roles include:

- Vendor Volunteers
Assist vendors throughout event
- Lantern Caretaker
Set up and maintain our lantern displays
- Kids Coordinator
Man activity stations and build our glow-in-the-dark maze
- Construction Crew
Help us set up tables, tents and other structures before the festival
- Tear-down Crew
Help us pack everything up once the festival is finished
- Sales and Fundraisers
Collect donations from festival-goers
- Clean Up Crew
Help clean and maintain tidiness of the park

Confirmation will be sent via email. Please join our Facebook pages <https://www.facebook.com/Ottawa-Lumiere-Festival-203583113020642/> or <https://www.facebook.com/nectarcentre/> for updates regarding the festivals. Or follow us on Twitter @nectarcentre, @lumiereottawa using the hashtag #nightoflights.
