Number of Positions:	Multiple
Start Date:	Immediately

Position Description:

The Community Health Nurse is a member of the Oasis team and works closely with team members to provide the highest possible quality of health care services to clients.

The role of the Community Health Nurse SIS (Oasis) is to work with clients to help them achieve their desired health goals by conducting nursing assessments, health education/ counselling and performing specific procedures related to supervised injection including overdose assessment and intervention based on Centre protocols and according to the College of Nurses of Ontario standards of nursing practice. As a member of the larger interprofessional care team, the Community Health Nurse also provides Primary Care and Episodic Care (walk-in) services to people who experience barriers to accessing care due to their use of street drugs and concurrent disorders.

Skills, Education and Experience:

Requirements for this position include:

Education, Language and Training

- Undergraduate degree in nursing from a recognized university or combination of nursing diploma and additional relevant courses/training
- Certificate of competence from the College of Nurses of Ontario.
- Position is designated *bilingual preferred* (linguistic abilities in French considered essential)
- Fluency in English, both oral and written
- First Aid and CPR (level C) Certificate

Professional Experience

- Three to five years nursing experience in a community setting or combination of community and hospital or public health settings: experience in a primary care setting an asset
- Experience working with a broad range of populations, including: people with HIV/AIDS, hepatitis C, street involved people, transgendered people, men who have sex with men, sex trade workers, people with mental illness, people with overwhelming substance use disorders, and other marginalized groups
- Experience working within a harm reduction approach
- Experience in mental health and substance use disorders

Knowledge, Skills and Abilities

- Knowledge of the impact of the social determinants of health on HIV, hepatitis C and substance use an asset.
- Strong interpersonal, organizational and problem-solving skills
- Effective communication skills, including health education
- Excellent counseling skills, including motivational interviewing
- Excellent physical assessment skills
- Ability to incorporate and strengthen collaborative and interdisciplinary teamwork
- Ability to work with street-involved populations.
- Ability to work as part of a multi-disciplinary care giving team.
- Ability to work within the mandate of the Sandy Hill Community Health Centre and the Oasis Program
- Ability to work under stress with multiple demands.
- Ability to work outside regular hours
- Proficiency in the use of computers and various software applications
- Demonstrated flexibility, good judgment, initiative & creativity
- Respects and values the diversity of communities and individuals
- Sensitivity and alertness to signs of a client in crisis
- Commitment to and knowledge of community-based health care

Hours of Work

- Supervised Injection Services will operate from 8:00 a.m. to 8:00 p.m. 7 days per week.
 - Must be available for shift work, including some evenings and weekends

Reporting Relationship:

The Community Health Nurse, SIS is directly accountable to the Director of Oasis for the carrying out of his/her duties and through the Director of Oasis to the Executive Director.

As a Community Health Nurse, the incumbent is responsible to meeting the licensing and regulatory requirements of the College of Nurses as the professional governing body.

Conditions of Employment:

Hours of work will be developed in collaboration with the successful candidate to ensure a healthy work-life balance. A schedule of work will be based on the Centre's hours of operation and program requirements and may include some evenings and weekends.

An offer of employment will be conditional upon the candidate completing a criminal reference check, verification of educational requirement for this position and linguistic profile to the satisfaction of the Sandy Hill Community Health Centre.

Accommodation:

SHCHC will provide accommodation for applicants with disabilities in its recruitment process.

If at any stage in the selection process you require accommodation due to disability, please let us know the nature of the required accommodation.

How to Apply:

To apply, please visit sandyhillchc.workable.com and select the appropriate job opening.

Clients of the Centre are welcome to apply. Should a client become the successful candidate, they will no longer be able to continue receiving services at Sandy Hill Community Health Centre. Assistance will be made available to find an alternative provider.
