

This year, Renewed Computer Technology (RCT) is embarking on a new initiative to provide a computer to over 7000 low-income families and individuals, living in Ontario, with a total of 26,000 computers, delivered this year, across all our programs.

WE need COMPUTER DONATIONS to help make this happen! YOUR SUPPORT will go a long way in helping us reach our goals. YOU CAN:

- 1. DONATE desktops, laptops or monitors**
- 2. HOST an eWaste event at your school or in your community**
- 3. HELP spread the word.**
