The Good Companions

Every composer from Giuseppe Verdi to Cole Porter to John Lennon has looked at this "thing" from every possible angle, in every key, both major and minor, and racked his brain to come up with answers. Is it idealistic or realistic? A baffling euphoria? Mature or immature? A fatal obsession? What about sensuality and passion? Come join us for this entertaining and delightful presentation to have these questions discussed and maybe answered...**This is a free seminar. Members and non-members are welcome and encouraged to attend. Please register in person or call Front Reception to reserve your spot.**
